President's Message

In an effort to keep us all looking dapper, Frank and Jerry from Lourie's did a fabulous job this week discussing the latest fashion trends for the spring season. Quite honestly, it's easy to see why they've been THE place to shop in Columbia for nearly 50 years. I appreciated them sharing their knowledge, and based on the great response they received from members, I'm sure others feel the same.

We've got two weeks left to work our cards for the Carolina Children's Home campaign, and I encourage you to do this by the time we meet again. To those that have called your donors, I thank you. To those that have not – your cards will be worked – I won't say any more than that. As we come down to the wire, we simply can't afford to leave any money on the table if we are to eclipse our \$64K total from last year.

Be sure to mark your calendars for the MS Barbeque scheduled for Friday, April 20 and Saturday, April 21 and volunteer anytime between 11 am and 7 pm. We need your help, and it promises to be a great time as we raise money for an extremely worthy cause.

Until we meet again in two weeks, let me urge you to continue bringing guests. We've done a great job of this and the results are beginning to show. Two people submitted applications last week and two more will at the next meeting – and each started with a simple visit to our club. If we are to continue to grow, this is vital.

Have a great week. I look forward to seeing you Monday, April 16!

Business Meeting

Dan Felker gave the Invocation & led the Pledge of Allegiance.

Sponsorship:

PAALS ~ \$300. Parenting Partners ~ \$500.

As we enter the final stretch of the 2007 CCH Campaign, I want to thank all of you for your hard work and continued efforts. As I stated at the meeting, and I want to apologize if I came off a little harsh I know most of you in attendance have worked your cards, we are quite a bit behind where we need to be. As of now we are about \$26,000 behind where we ended last year. We also have over 200 cards floating out there that have not be worked or turned in. If you are having trouble, or need assistance working your cards, please let your team captain or myself know, and we will make sure that they get the attention that they deserve.

Again, a great big thank you to you all.
